School Board Members represent and serve diverse communities, comprised of students, parents, teachers, staff, community leaders, business partners and other stakeholders. To maximize the educational opportunities for, and the mental, physical, emotional, and psychological wellness of our students, School Board Members collaborate with a variety of members of their district communities. Increasingly, collaborating with local government leaders creates new opportunities to leverage the strengths of cities and/or Miami-Dade County and those of Miami-Dade County Public Schools, resulting in high impact community solutions. The newly elected Mayor of the City of Doral, Christi Fraga, is a highly-effective and impactful community leader that will continue to be a strong community partner for the benefit of our students.

Mrs. Christi Fraga, former Miami-Dade County School Board Member, served District 5 from 2020 to 2022, with honor, commitment, dedication, and distinction leaving her mark on the community, the many schools she served, their students and hundreds of families in District 5. In December of 2022, Christi Fraga made history as the first woman ever elected to serve as Mayor of the City of Doral. Mayor Fraga's career in public service first started in 2012, when she was elected as the youngest person in the City of Doral's history to serve on the City Council. During her tenure, she concentrated her efforts on empowering the youth, women, the elderly, and the special needs community. She also undertook strong efforts to improve traffic, education, and small businesses support.

Mayor Fraga holds an associate degree in Business Administration from Miami-Dade College (MDC), as well as a bachelor's degree in Finance Management and Accounting from Florida International University (FIU). In 2014, she earned a sixty-hour certificate from the University of Miami's Good Government Initiative Leaders in Excellence Program, which is designed to cultivate ethical and leadership abilities in elected officials. These accomplishments have contributed to her strong foundation and ability to thrive, but also served to inspire her to embark on various entrepreneurial ventures, including several successful businesses based within Doral.

Mayor Fraga currently serves as a member in the Miami-Dade Transportation Planning Organization (TPO). With more than a decade in public service and elected leadership, Mayor Fraga brings to the City of Doral years of experience and passion for working on behalf of the community.
