**SUBJECT: TENTATIVE ADOPTION OF MILLAGE LEVY RESOLUTION  
FOR FY 2023-24**

**LINK TO STRATEGIC  
PLAN: EFFECTIVE AND SUSTAINABLE OPERATIONAL PRACTICES**

Florida Statutes prescribe that no millage shall be levied until a resolution or ordinance has been approved by the governing body of the taxing authority, which resolution must be approved by said taxing authority according to the following procedures:

- a. Each school district shall advertise its intent to adopt a tentative budget in a newspaper of general circulation within 29 days of certification of value which is July 1.
- b. Two to five days thereafter, the district shall hold a public hearing on the tentative budget.
- c. Said hearing shall not be held earlier than 5:00 p.m. if scheduled on a day other than Saturday. No hearing shall be held on Sunday.
- d. Prior to the conclusion of said hearing, the governing body of the taxing authority shall amend the tentative budget as it sees fit, adopt a tentative budget, and adopt a resolution stating the millage rate to be levied. The resolution shall also state the percentage, if any, by which the recomputed millage rate exceeds the rollback rate. The percentage shall be characterized as the percentage increase in property taxes tentatively adopted by the governing body. **The Millage Levy Resolution must be adopted prior to adoption of the Tentative Budget.**
- e. The millage rate adopted at the final budget hearing shall not exceed the millage rate adopted at this tentative budget hearing unless each taxpayer within Miami-Dade County is sent notice by first-class mail of the tax levy to be proposed at the final budget hearing, except under specific conditions prescribed in 200.065(5), Florida Statutes.

**SP-1**

- f. For FY 2023-24, the maximum non-voted tax millage submitted for advertisement (exclusive of debt service) that may be levied by the Board, if approved by a vote of a majority of the membership of the Board, is calculated to be 5.566 mills.

The total millage, consisting of both voted and non-voted levies, is 6.699 mills (see page 6). The total millage levy represents an increase of .110 mills from FY 2022-23. The non-voted millage levy, certified by the Commissioner of Education on July 19, 2023, consists of the following: (a) state-required levy of 3.318 mills to participate in the Florida Education Finance Program; (b) a basic discretionary levy of .748 mills for additional operating costs; (c) a discretionary levy of 1.50 mills for capital purposes. The voted millage consists of the following: a) debt service levy of .133 mills required to fund the principal and interest payments of issued General Obligation Bonds; b) additional voted levy of 1.00 approved November 8, 2022, by our voters to increase instructional salaries as well as assist the District with the cost of safety and security.

On July 19, 2023, the Board approved Agenda Item E-14, Authorization to Advertise Proposed Tentative Budget and Millage Levies for FY 2023-24. On July 18, 2023, the Board received the Executive Summary which included an estimated millage levy. The Required Local Effort Millage was reduced from that estimate due to statewide School Taxable Value increasing from \$3.286 billion used during the 2023 Legislative Session to \$3.367 billion received on July 19, 2023.

Page 6 reflects the proposed FY 2023-24 millage levy and actual millage levies for the three prior years and the tax effects using the average assessed value from each year. **The proposed total millage levy for FY 2023-24 is 0.110 mills higher than FY 2022-23.** Even though our voters approved an increase in millage of .25, the net increase will be lower by .14.

The tax effect on the typical homeowner participating in the Save Our Homes program will be higher than the prior year if the homeowner resided in the same homestead with no property improvements. The increase for the typical homeowner is due to a 3.0% capped increase (CPI level was 6.5% but cannot be higher than 3%) in assessed value as well as the increase in the millage levy rate.

**NOTE: This item is one of two items which are part of the 6:00 p.m. public hearing, which should be discussed only at that time and should be approved first.**

**RECOMMENDED:** That The School Board of Miami-Dade County, Florida, authorize the Superintendent to:

1. tentatively adopt the millage rates below:
  - a) locally levied Discretionary Operating millage levy of .748 mills and Capital Outlay millage levy of 1.500 mills;
  - b) state established Required Local Effort millage levy of 3.318 mills;
  - c) Additional Operating voted levy of 1.000 mills; and
  - d) Debt Service levy of .133 mills.
2. tentatively adopt the millage resolution for FY 2023-24 for a total of 6.699 mills.

\* Source: Miami-Dade County Property Appraiser - These two charts contrast the change of ad valorem tax levies which would be determined by using the 'average assessed value' of property to that which would be paid by the typical homeowner participating in the "Save Our Home" program. A typical homeowner is capped at a 3.0% increase in assessed value for FY2023-24, and represents a homeowner that resides in the same homestead and has not improved (i.e. 'added onto') his/her property.
