LINK TO STRATEGIC PLAN: EFFECTIVE & SUSTAINABLE OPERATIONAL PRACTICES

On June 20, 2018, the Board commissioned SR Architects, P.A., (SRA) as A/E for Part 1 (Program/Master Plan) Services under Request for Qualifications 158 for the Renovations project at Everglades K-8 Center, located at 8375 S.W. 16 Street, Miami, Florida 33155. The Final Scope Definition Program/Master Plan document was approved by M-DCPS on August 12, 2019. On September 4, 2019, the Board commissioned SRA as the A/E of Record for Part 2 (Full A/E) Services and SRA has performed the required services as needed. The District was notified that the Principal and Sole Partner of the firm had passed away and upon staff request, documentation was received stating that the firm is no longer certified with the State to perform professional services.

Therefore, staff recommends that the Board terminate the agreement with SRA, without cause.

RECOMMENDED: That The School Board of Miami-Dade County, Florida:

- 1) terminate the agreement with SR Architects, P.A., without cause as Project A/E for the Renovations project at Everglades K-8 Center, Project No. 01424800;
- 2) provide written notification of such action to SR Architects, P.A.; and
- 3) authorize the assignment of a successor A/E for the Renovations project at Everglades K-8, Project No. 01424800
