COMMITTEE: ACADEMICS, INNOVATION, EVALUATION AND TECHNOLOGY

LINK TO STRATEGIC PLAN: RELEVANT, RIGOROUS, AND INNOVATIVE ACADEMICS

In accordance with Florida Statute 1006.283, school boards must implement a process that includes the adoption and purchase of instructional materials. A public review was made available via the School Board's website beginning on September 7, 2023, and a public hearing to receive public comment at a School Board meeting was held on September 27, 2023. Instructional materials were selected in compliance with School Board Policy 2510, *Instructional Materials and Resources*, and the School Board's instructional materials adoption procedures.

The instructional material recommended for School Board approval and adoption is as follows:

SUBJECT AREA NAME: Social Studies			
Course Title	Grade Level	Series Title	Publisher
High School Personal Finance	9-12	eDynamic Holdings LP. (2022). High School Personal Finance: Personal and Family Finance (3rd ed.).	eDynamic Holdings LP

A parent or guardian of a public-school student or a resident of the county, as defined by Florida Statutes, may file an objection to the adoption of a specific instructional material with the Clerk of the Board by November 10, 2023, to contest the adoption.

Pursuant to F.S. 1006.28 paragraph 2(e).2, the District School Board must select, approve, adopt, or purchase all materials as a separate line item on the agenda and provide a reasonable opportunity for public comment. The use of materials described in this paragraph may not be selected, approved, or adopted as part of a consent agenda. Implementation of the adopted materials will commence during the 2024-2025 school year, as budget permits.

RECOMMENDED: That the School Board of Miami-Dade County, Florida: Approve and adopt the recommended instructional material for grades 9-12 High School Personal Finance, for the 2024-2025 school year.
