Procurement Management Services, at the request of Facilities Operations, released the above-referenced solicitation. The purpose of this Invitation to Bid (ITB) is to establish a contract with pre-approved vendors to provide labor, supervision, equipment and materials necessary to repair and/or replace bleachers at Miami-Dade County Public Schools' facilities. This is a term bid which states that the Board may purchase quantities as needed, but is not obligated to purchase any guaranteed amount. Awarded vendors will be invited to participate in site scope meetings and the Request for Quotations process. Per this ITB, projects under \$1,000 will be awarded on a rotating basis. This ITB was advertised on the Procurement Management Services website and DemandStar. This contract impacts all District school facilities, which breaks down to an annual amount of \$2,125 per school, based on the annual contract amount of \$850,000. The solicitation was shared with the District's Office of Economic Opportunity (OEO) for additional community outreach.

The initial term of the bid shall be for a period of three (3) years, commencing December 19, 2023 through December 18, 2026, and may, by mutual agreement between The School Board of Miami-Dade County, Florida, and the successful bidders, be extended for two (2) additional one (1) year period.

Pursuant to School Board Policy 6320.02, the Goal Setting Committee recommended that this solicitation be open with a 3% price preference for any SBE/MBE certified firms to be applied during the RFQ process.

Two (2) vendors responded to this advertised bid. Based on the criteria listed in the solicitation, the contract shall be awarded to two (2) vendors meeting the minimum requirements.

M-DCPS OEO staff verified the Small, Micro, Veteran and/or M/WBE certification status of the firm(s).

In Fiscal Year 2022-2023, the District spent \$297,000 on bleachers repair and replacement.
