2. Deferred Retirement Option Program (DROP) Listing 51

The Deferred Retirement Option Program (DROP) was approved by the 1997 Legislature and became effective on July 1, 1998. The DROP is a program in which eligible members of the Florida Retirement System, the Teachers' Retirement System, and the State and County Officers and Employees' Retirement System may elect to participate. This program allows for the members' retirement benefits to be deposited monthly into their DROP account (earning interest), while simultaneously permitting the members to continue to work for up to five additional years without earning additional credit for retirement. At the end of the DROP period, the employee terminates employment, receives, or rolls over the accumulated monies in the DROP account, and begins receiving the monthly retirement benefits directly.

One of the documents required for participation in the DROP includes a resignation of employment, to be effective upon termination from the DROP. In order for these resignations to be binding, they must be accepted by the Board. As employees become eligible for retirement, they may elect to participate in DROP; therefore, a list of DROP participants will be submitted periodically to the Board for its acceptance.

Copies of DROP List 51 will be forwarded to the School Board members, under separate cover, prior to the November 15, 2023, School Board meeting.

RECOMMENDED: That The School Board of Miami-Dade County, Florida, approve the:

1. Personnel Action Listing 1173 for Instructional and Non-instructional appointments, reassignments, leaves, separations, retirements, and resignations from September 8, 2023, through October 12, 2023.

2. Resignations from employment of those Deferred Retirement Option Program (DROP) participants, included in DROP Listing 51, as of the dates indicated.
