CHARTER SCHOOL CONTRACT AMENDMENTS

Section 1002.33(7)(d), F.S., indicates that a charter may be modified during its term upon the recommendation of the sponsor or the charter school’s governing board and the approval of both parties to the agreement. School Board Policy 9800, *Charter Schools*, requires that the Superintendent convene the Contract Review Committee (CRC) to meet publicly and review any substantive amendments to charter school contracts for presentation to the School Board for their final consideration.

Pursuant to the law and Policy 9800, two (2) charter school contract amendments are being presented for consideration in this item, as contained in Table 1. Additional details for these contracts may be found in the attachment. Additionally, the amended charter contracts can be accessed through the link provided on page 2. The attachment and link are included and incorporated by reference in this Board item.

One (1) of the charter school amendment contracts are included in the analysis of Total Loss as it presents a potential increase in overall charter school enrollment or an anticipated loss to the District.

Table 2: TOTAL LOSS

	Total FEFP Revenue (\$)	Projected Charter FTE (#)	Instructional Positions		Non-Instructional Positions	Total Positions
			Core ¹	Non-Core ²		
South Florida Autism Charter School (MSID 1070)	\$236,535	52	2	1	2	5
TOTAL LOSS:	\$236,535	52	2	1	2	5

Initial Year Loss (2024-2025 SY): The revenue and positions indicated as “District Impact” provide an estimate of the potential impact on the District’s General Fund (\$236,535) instructional staffing (3 positions), and non-instructional staffing (2 positions). The loss of revenue is based on 95% of FEFP funds per student and 75% of the enrollment projection that the District will not realize.
