**SUBJECT: REQUEST FOR APPROVAL OF RESOLUTION NO. 24-057 OF THE SCHOOL BOARD OF MIAMI-DADE COUNTY, FLORIDA, RECOGNIZING OPENING OF SCHOOLS COMMUNITY SUPPORTERS**

**COMMITTEE: PERSONNEL, STUDENT, SCHOOL & COMMUNITY SUPPORT**

**LINK TO STRATEGIC**

**PLAN: INFORMED, ENGAGED, & EMPOWERED STAKEHOLDERS**

At Miami-Dade County Public Schools, the opening of schools is made possible by so many community supporters. They play a critical role in ensuring that our schools are ready before our students walk through the door on the first day of class. These community school champions have already worked long hours ensuring that students find a school environment that is welcoming and conducive to learning. They set up classrooms, organize instructional materials and supplies, and ensure that buildings are clean and safe. The following people are some of the outstanding opening of schools community supporters in District 9:

- **Chico Goldsmith** from the Sunshine Corvette Club has been a sponsor of the **Neva King Cooper Educational Center** for over 30 years. The support received from Mr. Goldsmith and the club includes gifts for students, activities during the holidays, and even an annual visit from Mr. and Mrs. Claus.
- **Nicole Florian**, staff member at **BioTECH @ Richmond Heights 9-12 Senior High School**, has worked tirelessly during the Summer Break on BioTECH's recruitment efforts. She has reached out to parents, participated in community events and facilitated several tours highlighting the uniqueness of the Conservation Biology program. Additionally, she has collaborated with the Administrative Team in a myriad of tasks in preparation for the 2024 – 2025 school year.
- **Beatriz Fernandez-Rossi**, 5th Grade Teacher at **Howard Drive Elementary School**, has been instrumental in updating and enhancing the school grounds and has transformed them into a welcoming haven. By maintaining and expanding the school's gardens, she is creating a peaceful and educational oasis for everyone to enjoy. By painting benches and improving the appearance of indoor walls, she has brought color and warmth to the entire school. Ms. Fernandez actively engages Howard Drive alumni, families, and friends in beautification projects, inspiring students from Palmetto Middle, Palmetto High, and even universities to contribute.
- **Laura Rodriguez** is the Director of Campus Administration at Miami Dade College Homestead Campus. She has graciously opened her doors to Homestead Senior High School with no hesitation for several events, including the opening of schools. Ms. Rodriguez offered the use of the MDC Homestead Campus Conference room and created an atmosphere of inspiration and creativity to welcome the entire school faculty and staff back to school. Her willingness to create a collaborative culture between MDC Homestead and Homestead Senior High shows the commitment that public education makes to the growth and development of our students.

- **Dylan Veras**, rising senior and SGA leader at **School for Advanced Studies - Homestead Campus**, took the lead on organizing a special event for new students at SAS Homestead. The event has been called the "Mentor/Mentee" activity where all the new students are matched up with returning Homestead seniors for various activities to familiarize the new students with the campus and how everything works. His efforts are pivotal as they help make the transitioning of new students to a new environment on a college campus much easier.

This resolution recognizes District 9 opening of school community supporters for their leadership, dedication, countless contributions and unwavering commitment that make our schools better learning communities.
