

Office of Superintendent of Schools
Board Meeting of September 18, 2024

September 11, 2024

Ms. Lourdes Diaz, Chief Academic Officer
Office of Academics and Transformation

**SUBJECT: PUBLIC HEARING: ADOPTION OF DISTRICT-WIDE
INSTRUCTIONAL MATERIALS**

**LINK TO STRATEGIC
BLUEPRINT: RELEVANT, RIGOROUS, AND INNOVATIVE ACADEMICS**

In accordance with Florida Statute 1006.283, school boards must approve the adoption of instructional materials prior to purchase. According to section 1006.283(2)(8), a public hearing is required to receive public comment on the proposed instructional materials for the 2025-2026 school year.

The proposed instructional materials that are being recommended were selected in compliance with School Board Policy 2510, *Instructional Materials and Resources*, and the District instructional materials adoption procedures. The materials have been available to the public since August 7, 2024, via the District's website at the <https://innovationschoolchoice.com/science-adoption-2024/>.

The public has been informed of the materials' availability via parent e-mails, postings on the District website/portal/app, and automated phone calls.

Instructional materials recommended for final adoption will be presented to the School Board at its regular meeting of October 16, 2024. Use of the adopted materials is anticipated to begin during the 2025-2026 school year, as budget permits. There is no financial impact of this item at this time.

RECOMMENDED: That The School Board of Miami-Dade County, FL, receive public comment on the proposed instructional materials adoption in accordance with Florida law and Board policy.
