

Office of Facilities Design & Construction  
Raul F. Perez, Chief Facilities Design & Construction Officer

**SUBJECT: AUTHORIZATION TO AMEND THE BUILDING CODE CONSULTANT AGREEMENT WITH ABSOLUTE CIVIL ENGINEERING SOLUTIONS, LLC, BY ADDING AEC DESIGN CONSULTANTS, LLC, AS A MECHANICAL ENGINEERING AND ELECTRICAL ENGINEERING SUB-CONSULTANT FOR THE REMAINING TERM OF THE AGREEMENT**

**COMMITTEE: FACILITIES AND CONSTRUCTION**

**LINK TO STRATEGIC PLAN: EFFECTIVE & SUSTAINABLE OPERATIONAL PRACTICES**

On April 21, 2021, the Board commissioned Absolute Civil Engineering Solutions, LLC (ACES) as a Building Code Consultant (BCC), to provide document review and inspection services and other related services for four (4) years, with extensions at the option of the Board.

ACES is requesting authorization to add an additional sub-consultant to their BCC Agreement, by adding AEC Design Consultants, LLC as a Mechanical Engineering and Electrical Engineering sub-consultant, which holds a M-DCPS Micro Business Enterprise (MBE Tier 1) certificate and a Minority/Women Business Enterprise (M/WBE) certificate (African-American).

Per the Agreement, addition of sub-consultants requires the Board's authorization. Staff has reviewed the documentation submitted by ACES, for the addition of a mechanical engineering and electrical engineering sub-consultant and recommend the approval of this request.

There is no cost associated with this change. All other terms and conditions of the Agreement remain unchanged.

**RECOMMENDED:**

That The School Board of Miami-Dade County, Florida, authorize an amendment to the Building Code Consultant Agreement with Absolute Civil Engineering Solutions, LLC, by adding AEC Design Consultants, LLC as a Mechanical Engineering and Electrical Engineering sub-consultant for the remaining term of the agreement as follows:

- a) at no additional cost to the Board; and
- b) with all other terms and conditions of the Agreement to remain unchanged.
