COMMITTEE: FISCAL ACCOUNTABILITY & GOVERNMENT RELATIONS

LINK TO STRATEGIC

PLAN: INFORMED, ENGAGED, & EMPOWERED STAKEHOLDERS

The School Board of Miami-Dade County, Florida recognizes the critical importance of external education funding and programs in providing educational opportunities for all students in our district. These essential resources currently provided allow our schools to address learning needs, support academic achievement, and prepare students for future success.

Miami-Dade County Public Schools currently benefits from numerous external programs that serve our students, families, and communities.

These programs serve thousands of students throughout Miami-Dade County and provide millions of dollars in resources that our district could not otherwise afford. These programs and funding are vital to maintaining educational quality, addressing the needs of our student population, and ensuring that all students have opportunities to reach their full potential.

The School Board of Miami-Dade County supports these essential education programs and funding streams that directly benefit Miami-Dade County Public Schools students.
