All required governmental permits and licenses issued to Tenant and associated with the Premises shall remain in effect or shall be renewed in a timely manner, and Tenant shall comply therewith and cause all third parties to comply therewith. All Hazardous Substances present, handled, generated or used on the Premises will be managed, transported and disposed of in a lawful manner. Tenant shall exercise due care and not cause or allow on or upon the Premises, or as may affect the Premises, any act which may result in the discharge of any waste or hazardous materials, or otherwise damage or cause the depreciation in value to the Premises, or any part thereof due to the release of any waste or hazardous materials on or about the Premises. Tenant shall not knowingly permit the Premises or any portion thereof to be a site for the use, generation, treatment, manufacture, storage, disposal or transportation of Hazardous Substances, except in such amounts as are ordinarily used, stored or generated in similar projects, or otherwise knowingly permit the presence of Hazardous Substances in, on or under the Premises in violation of any applicable law.

2. Tenant shall promptly provide Landlord with copies of all forms, notices and other information concerning any releases, spills or other incidents relating to Hazardous Substances or any violations of Environmental Laws at or relating to the Premises upon discovery of such releases, spills or incidents, when received by Tenant from any government agency or other third party, or when and as supplied to any government agency or other third party. Additionally, Tenant hereby agrees to immediately notify Landlord, in writing, should an accident or incident occur in which any waste and/or hazardous materials are released or otherwise discharged on or about the Premises.

3. Tenant will construct and maintain premises to be compliant with Section 504 and the Americans With Disabilities Act and their amendments.

V.5 Ownership of Improvements/Surrender of Premises. At all times during the Term, Tenant shall be deemed to exclusively own the Improvements and the Personal Property for federal tax purposes, and Tenant alone shall be entitled to all of the tax attributes of ownership thereof, including, without limitation, the right to claim depreciation or cost recovery deductions and the right to claim the low-income housing tax credit described in Section 42 of the Internal Revenue Code (the "Code"), with respect to the Improvements and the Personal Property, and Tenant shall have the right to amortize capital costs and to claim any other federal tax benefits attributable to the Improvements and the Personal Property. At the expiration or earlier termination of the Term of this Lease or any portion thereof, Tenant shall peaceably leave, quit and surrender the Premises, and the Improvements thereon (or the portion thereof so terminated), subject to the rights of tenants in possession of residential units under leases with Tenant, provided that such tenants are not in default thereunder and attorn to Landlord as their lessor. Upon such expiration or termination, the Premises (or portion thereof so terminated) shall become the sole property of Landlord at no cost to Landlord and shall be free of all liens and encumbrances and in the condition set forth in Section V.3 (consistent with prudent and appropriate property

management and maintenance during the Term) and, in the event of a casualty, to the provisions of Article VI. Tenant acknowledges and agrees that upon the expiration or sooner termination of this Lease any and all rights and interests it may have either at law or in equity to the Premises shall immediately cease.

V.6 **Easements.** Landlord agrees that Landlord shall not unreasonably withhold or delay its consent, and shall join with Tenant from time to time during the Term in the granting of easements affecting the Premises which are for the purpose of providing utility services for the Premises in accordance with an approved development or redevelopment plan. If any monetary consideration is received by Tenant as a result of the granting of any such easement, such consideration shall be paid to Landlord. As a condition precedent to the exercise by Tenant of any of the powers granted to Tenant in this Section, Tenant shall give written notice to Landlord of the action to be taken, shall certify to Landlord, that in Tenant's opinion such action will not adversely affect either the market value of the Premises or the use of the Premises for the Development.

V.7 **Transfer; Conveyance; Assignment.**

(a) Except as otherwise permitted hereunder (including, without limitation, Section VIII.9 hereof), Tenant agrees for itself and its successors and assigns in interest hereunder that it will not (1) assign this Lease or any of its rights under this Lease as to all or any portion of the Premises generally, or (2) make or permit any voluntary or involuntary total or partial sale, lease, assignment, license, conveyance, mortgage, pledge, encumbrance or other transfer of any or all of the Premises, or the Improvements, or the occupancy and use thereof, other than in accordance with this Lease (including, but not limited to (i) any sale at foreclosure or by the execution of any judgment of any or all of Tenant's rights hereunder, or (ii) any transfer by operation of law), to any entity other than an affiliate of Tenant without first obtaining Landlord's express written consent thereto, which consent shall not be unreasonably withheld, conditioned or delayed.

(b) If applicable, Tenant shall have the right to enter a sublease of any part of the premises (a "**Sublease**") to an entity that is affiliated with Tenant, subject to the approval and consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed. Additionally, no Sublease shall relieve Tenant of any obligations under the terms of this Lease unless a release is granted by Landlord. Additionally, each Sublease must be for a use compatible with the standards and requirements set forth in this Section V.1. Tenant must give written notice to Landlord specifying the name and address of any Sublessee to which all notices required by this Lease shall be sent, and a copy of the Sublease. Tenant shall provide Landlord with copies of all Subleases entered into. Landlord agrees to grant Non-Disturbance Agreements for any Sublessee which will provide that in the event of a termination of this Lease which applies to the portion of the Premises covered by such Sublease, due to an Event of Default committed by the Tenant, such Sublessee will not be disturbed and will be allowed to continue peacefully in possession directly under this Lease as the successor tenant, provided that the Sublessee shall be in compliance with the terms and conditions of its Sublease; and the Sublessee shall agree to attorn to Landlord. Landlord further agrees that it will grant such assurances to such Sublessee so long as it remains in compliance with the terms of its Sublease, and provided further that any such Sublease does not extend beyond the expiration of the Term of this Lease.

(c) In the event Tenant's Sublessee is successful in obtaining LIHTC for that portion of the Premises which is subject to the Sublease, but Tenant is not successful in obtaining LIHTC for the portion of the property not subleased and remaining subject to this Lease, Landlord and Tenant agree to modify this Lease so as to make it a direct lease between Landlord and the Sublessee, for the subleased Premises. Upon such request, Landlord and Tenant will enter into (i) a bifurcation agreement to be negotiated between Tenant and Landlord at a later date pursuant to which this Lease shall be (x) bifurcated into two (2) leases, (y) terminated with respect to the bifurcated portion of the Premises, and (z) amended to equitable and proportionately adjust Rent and the other economic terms of this Lease to reflect the termination of this Lease with respect to such bifurcated portion of the Premises, and (ii) a new lease in the same form as this Lease with respect to the bifurcated portion of the Premises (with Rent and the other economic terms of this Lease equitably adjusted to reflect the lease of such bifurcated portion of the Premises only). In the event of a bifurcation of this Lease hereunder, this Lease and the bifurcated lease shall be separate and independent leases that are not cross-defaulted, and Tenant shall have no further obligations with respect to the bifurcated portion of the Premises, anything herein to the contrary notwithstanding.

ARTICLE VI

CASUALTY AND TAKING

VI.1. **Casualty.** Casualty Damage. In the event the Premises should be destroyed or damaged by fire, windstorm, or other casualty to the extent that the Premises is rendered unfit for the intended purpose of Tenant, Tenant may cancel this Lease after thirty (30) days written notice to Landlord, but only after removing any trash and/or debris therefrom, subject to the terms and provisions of any Permitted Leasehold Mortgage, as defined in Section VIII.9. If the Premises is partially damaged due to any other reason than the causes described immediately above, but the Premises is not rendered unusable for Tenant's purposes subject to the terms and provisions of any Permitted Leasehold Mortgage, the same shall be repaired by Tenant to the extent Tenant receives sufficient proceeds to complete such repairs from its insurance carrier under its insurance policy. Any such repairs will be completed within a reasonable time after receipt of such proceeds. If the damage to the Premises shall be so extensive as to render it unusable for Tenant's purposes but shall nonetheless be capable of being repaired within One Hundred Twenty (120) days, subject to the terms and provisions of any Permitted Leasehold Mortgage the damage shall be repaired with due diligence by Tenant to the extent Tenant receives sufficient proceeds under its insurance policy to complete such repairs. In the event that a nearby structure(s) or improvement(s) is damaged or destroyed due to Tenant's negligence, Tenant shall be solely liable and responsible to repair and/or compensate the Landlord for such damage or loss.

Notwithstanding anything contained in this Section VI.1, or otherwise in this Lease to the contrary, as long as the Tenant's leasehold interest is encumbered by any Permitted Leasehold Mortgage, this Lease shall not be terminated by Landlord or Tenant in the event that the Premises is partially or totally destroyed, and, in the event of such partial or total destruction, all insurance proceeds from casualty insurance as provided herein shall be paid to and held by the Permitted Leasehold Mortgagee, or an insurance trustee selected by the Permitted Leasehold Mortgagee to be used for the purpose of restoration or repair of the Premises. Permitted Leasehold Mortgagee shall have

the right to participate in adjustment of losses as to casualty insurance proceeds and any settlement discussion relating to casualty or condemnation.

VI.2 Taking.

(a) Notice of Taking. Upon receipt by either Landlord or Tenant of any notice of Taking, or the institution of any proceedings for Taking the Premises, or any portion thereof, the party receiving such notice shall promptly give notice thereof to the other, and such other party may also appear in such proceeding and may be represented by an attorney.

(b) Award. Subject to the terms of the Permitted Leasehold Mortgages (as defined in Section VIII.9), the Landlord and the Tenant agree that, in the event of a Taking that does not result in the termination of this Lease pursuant to Section VI.2(c) or VI.2(d), this Lease shall continue in effect as to the remainder of the Premises, and the net amounts owed or paid to the Landlord or pursuant to any agreement with any condemning authority which has been made in settlement of any proceeding relating to a Taking, less any costs and expenses incurred by the Landlord in collecting such award or payment (the "Award") will be disbursed in accordance with Section VI.2(c) or VI.2(d) (as the case may be) to the Landlord and/or Tenant. The Tenant and, to the extent permitted by law, any Permitted Leasehold Mortgagee, shall have the right to participate in negotiations of and to approve any such settlement with a condemning authority (which approval shall not be unreasonably withheld).

(c) Total Taking. In the event of a permanent Taking of the fee simple interest or title of the Premises, or control of the entire leasehold estate hereunder (a "Total Taking"), this Lease shall thereupon terminate as of the effective date of such Total Taking, without liability or further recourse to the parties, provided that each party shall remain liable for any obligations required to be performed prior to the effective date of such termination and for any other obligations under this Lease which are expressly intended to survive termination. The Taking of any portion of the Improvements, fifteen percent (15%) or more of the then existing parking area, the loss of the rights of ingress and egress as then established or the loss of rights to use the Easement, shall be, at Tenant's election, but not exclusively considered, such a substantial taking as would render the use of the Premises not suitable for Tenant's use. Notwithstanding any provision of the Lease or by operation of law that leasehold improvements may be or shall become the property of Landlord at the termination of the Lease, the loss of the building and other improvements paid for by Tenant, the loss of Tenant's leasehold estate and such additional relief as may be provided by law shall be the basis of Tenant's damages against the condemning authority if a separate claim therefore is allowable under applicable law, or the basis of Tenant's damages to a portion of the total award if only one award is made.

(d) Partial Taking. In the event of a permanent Taking of less than all of the Premises (a "Partial Taking"), if Tenant reasonably determines that the continued development, use or occupancy of the remainder of the Premises by Tenant cannot reasonably be made to be economically viable, structurally sound, then Tenant may terminate this Lease, and the Tenant's portion of the Award shall be paid to Tenant, provided that any and all obligations of Tenant have been fully and completely complied with by Tenant as of the date of said Partial Taking. If Tenant shall not elect to terminate this Lease, Tenant shall be entitled to a reduction of rent of such amount as shall be just and equitable. Subject to the terms of the Permitted Leasehold Mortgages, if there

is a Partial Taking and the Tenant does not terminate this Lease, the Tenant shall be entitled to receive and retain an equitable portion of the Award and shall apply such portion of the Award necessary to repair or restore the Premises or the Improvements as nearly as possible to the condition the Premises or the Improvements were in immediately prior to such Partial Taking. Subject to the terms of the Permitted Leasehold Mortgages, if there is a Partial Taking which affects the use of the Premises after the term hereof, the Award shall be apportioned between the Tenant and the Landlord based on the ratio of the remaining term hereof and the remaining expected useful life of the Premises following the term hereof. Subject to the terms of the Permitted Leasehold Mortgages, notwithstanding any provision herein to the contrary, the Landlord shall be entitled to receive and retain any portion of the Award apportioned to the land upon which the Improvements are located. Should such award be insufficient to accomplish the restoration, such additional costs shall be paid by Tenant. Notwithstanding any provision of the Lease or by operation of law that leasehold improvements may be or shall become the property of Landlord at the termination of the Lease, the loss of the building and other improvements paid for by Tenant and such additional relief as may be provided by law shall be the basis of Tenant's damages against the condemning authority if a separate claim therefore is allowable under applicable law, or the basis of Tenant's damages to a portion of the total award if only one award is made.

(e) Resolution of Disagreements. Should Landlord and Tenant be unable to agree as to the division of any singular award or the amount of any reduction of rents and other charges payable by Tenant under the Lease, such dispute shall be submitted for resolution to the court exercising jurisdiction of the condemnation proceedings, each party bearing its respective costs for such determination. Landlord shall not agree to any settlement in lieu of condemnation with the condemning authority without Tenant's consent.

(f) No Existing Condemnation. Landlord represents and warrants that as of the Commencement Date it has no actual or constructive knowledge of any proposed condemnation of any part of the Premises. In the event that subsequent to the Lease Date, but prior to the Commencement Date, a total or partial condemnation either permanent or temporary, is proposed by any competent authority, Tenant shall be under no obligation to commence or continue construction of the building and other improvements and rent and other charges, if any, payable by Tenant under the Lease shall abate until such time as it can be reasonably ascertained that the Premises shall not be so affected. In the event the Premises is so affected, Tenant shall be entitled to all rights, damages and awards pursuant to the appropriate provisions of this Lease.

VI.3 Termination upon Non-Restoration. Following a Partial Taking, if a decision is made pursuant to this Article VI that the remaining portion of the Premises is not to be restored, and Tenant shall have determined that the continued development, use or occupancy of the remainder of the Premises by Tenant cannot be made economically viable or structurally sound, Tenant shall surrender the entire remaining portion of the Premises to Landlord and this Lease shall thereupon be terminated without liability or further recourse to the parties hereto, provided that any Rent, impositions and other amounts payable or obligations hereunder owed by Tenant to Landlord as of the date of the Partial Taking shall be paid in full.

ARTICLE VII

CONDITION OF PREMISES

VII.2 **Condition; Title.** The Premises are demised and let in an “as is” condition as of the Commencement Date. The Premises are demised and let to Tenant subject to: As-Is. Notwithstanding anything to the contrary contained herein, upon Tenant taking possession of the Premises, Tenant shall be deemed to have accepted the Premises in its “as-is” and “where-is” condition, with any and all faults, and with the understanding that the Landlord has not offered any implied or expressed warranty as to the condition of the Premises and/or as to it being fit for any particular purpose, provided, however, that the foregoing shall not in any way limit, affect, modify or otherwise impact any of Landlord’s representations, warranties and/or obligations contained in this Lease.

Tenant shall, within thirty (30) days following the Lease Date, obtain a title commitment to insure Tenant’s leasehold interest in the Premises. Tenant shall advise Landlord as to any title matters that Tenant deems objectionable and Landlord shall address same in accordance with Section VII.3, below.

VII.3 **No Encumbrances.** Landlord covenants that Landlord has full right and lawful authority to enter into this Lease in accordance with the terms hereof and to grant the estate demised hereby. Landlord represents and warrants that there are no existing mortgages, deeds of trust, easements, liens, security interests, encumbrances and/or restrictions encumbering Landlord’s fee interest in the Land other than the Permitted Encumbrances. Landlord’s fee interest shall not hereafter be subordinated to, or made subject to, any mortgage, deed of trust, easement, lien, security interest, encumbrance and/or restriction except for an encumbrance that expressly provides that it is and shall remain subject and subordinate at all times in lien, operation and otherwise to this Lease and to all renewals, modifications, amendments, consolidations and replacements hereof (including new leases entered into pursuant to the terms hereof and extensions). Landlord covenants that it will not encumber or lien the title of the Premises or cause or permit said title to be encumbered or liened in any manner whatsoever, and Tenant may reduce or discharge any such encumbrance or lien by payment or otherwise at any time after giving thirty (30) days’ written notice thereof to Landlord. Tenant may recover or recoup all costs and expenses thereof from Landlord if the Landlord fails to discharge any such encumbrance within the said thirty (30) day period. Such recovery or recoupment may, in addition to all other remedies, be made by setting off against the amount of Rent payable by Tenant hereunder. Landlord and Tenant agree to work cooperatively together to create such easements and rights of way as may be necessary or appropriate for the Premises.

VII.4 **Landlord’s Title and Quiet Enjoyment.** Landlord represents and warrants that Landlord is seized in fee simple title to the Premises, free and clear and unencumbered, other than as affected by the Permitted Encumbrances. Landlord covenants that, so long as Tenant pays rent and performs the covenants herein contained on its part to be paid and performed, Tenant will have lawful, quiet and peaceful possession and occupancy of the Premises and all other rights and benefits accruing to Tenant under the Lease throughout the Term, without hindrance or molestation by or on the part of Landlord or anyone claiming through Landlord. Landlord further represents and warrants that it has good right, full power and lawful authority to enter into this Lease. Tenant

shall have the right to order a title insurance commitment on the Premises. In the event the title insurance commitment shall reflect encumbrances or other conditions not acceptable to Tenant (“**Defects**”), then, Landlord, upon notification of the Defects, shall immediately and diligently proceed to cure same and shall have a reasonable time within which to cure the Defects. If, after the exercise of all reasonable diligence, Landlord is unable to clear the Defects, then Tenant may accept the Defects or Tenant may terminate the Lease and the parties shall be released from further liability so long as Tenant is not in default hereunder beyond any grace period applicable thereto, Tenant’s possession of the Premises will not be disturbed by Landlord, its successors and assigns.

Notwithstanding Section VII.3 above, Landlord and its agents, upon reasonable prior notice to Tenant, shall have the right to enter the Premises for purposes of reasonable inspections performed during reasonable business hours in order to assure compliance by Tenant with its obligations under this Lease.

ARTICLE VIII

DEFAULTS AND TERMINATION

VIII.1 **Default.** The occurrence of any of the following events shall constitute an event of default (“**Event of Default**”) hereunder:

(a) if Tenant fails to pay when due any Rent or other impositions due hereunder pursuant to Article III (except where such failure is addressed by another event described in this Section VIII.1 as to which lesser notice and grace periods are provided), and any such default shall continue for thirty (30) days after the receipt of written notice thereof by Tenant from Landlord; or

(b) if Tenant fails in any material respect to comply with the use restrictions set forth in Section V.1(a), or fails to comply with the construction obligations set forth in Section V.1(b), or otherwise fails to observe or perform any covenant, condition, agreement or obligation hereunder not addressed by any other event described in this Section VIII.1, and shall fail to cure, correct or remedy such failure within thirty (30) days after the receipt of written notice thereof, unless such failure cannot be cured by the payment of money and cannot with due diligence be cured within a period of thirty (30) days, in which case such failure shall not be deemed to continue if Tenant proceeds promptly and with due diligence to cure the failure and diligently completes the curing thereof within a reasonable period of time; provided, however, that for such time as Landlord or its affiliate is the management agent retained by Tenant, Tenant shall not be in default hereunder due to actions or inactions taken by Landlord or its affiliate in its capacity as the management agent which materially impede Tenant’s ability to cure such default; or

(c) If any representation or warranty of Tenant set forth in this Lease, in any certificate delivered pursuant hereto, or in any notice, certificate, demand, submittal or request delivered to Landlord by Tenant pursuant to this Lease shall prove to be incorrect in any material and adverse respect as of the time when the same shall have been made and the same shall not have been remedied to the reasonable satisfaction of Landlord within thirty (30) days after notice from Landlord; or

(d) if Tenant shall be adjudicated bankrupt or be declared insolvent under the Federal Bankruptcy Code or any other federal or state law (as now or hereafter in effect) relating to bankruptcy, insolvency, reorganization, winding-up or adjustment of debts (collectively called “**Bankruptcy Laws**”), or if Tenant shall (a) apply for or consent to the appointment of, or the taking of possession by, any receiver, custodian, trustee, United States Trustee or Tenant or liquidator (or other similar official) of Tenant or of any substantial portion of Tenant’s property; (b) admit in writing its inability to pay its debts generally as they become due; (c) make a general assignment for the benefit of its creditors; (d) file a petition commencing a voluntary case under or seeking to take advantage of a Bankruptcy Law; or (e) fail to controvert in a timely and appropriate manner, or in writing acquiesce to, any petition commencing an involuntary case against Tenant pursuant to any bankruptcy law; or

(e) if an order for relief against Tenant shall be entered in any involuntary case under the Federal Bankruptcy Code or any similar order against Tenant shall be entered pursuant to any other Bankruptcy Law, or if a petition commencing an involuntary case against Tenant or proposing the reorganization of Tenant under the Federal Bankruptcy Code shall be filed in and approved by any court of competent jurisdiction and not be discharged or denied within ninety (90) days after such filing, or if a proceeding or case shall be commenced in any court of competent jurisdiction seeking (a) the liquidation, reorganization, dissolution, winding-up or adjustment of debts of Tenant, (b) the appointment of a receiver, custodian, trustee, United States Trustee or liquidator (or other similar official of Tenant) of any substantial portion of Tenant’s property, or (c) any similar relief as to Tenant pursuant to Bankruptcy Law, and any such proceeding or case shall continue undismissed, or any order, judgment or decree approving or ordering any of the foregoing shall be entered and continued unstayed and in effect for ninety (90) days; or

(f) Tenant vacates or abandons the Premises or any substantial part thereof for a period of more than thirty (30) consecutive days (or, if applicable, such longer period as may be permitted in accordance with Section VI.1 or VI.2); or

(g) This Lease, the Premises or any part thereof are taken upon execution or by other process of law directed against Tenant, or are taken upon or subjected to any attachment by any creditor of Tenant or claimant against Tenant, and such attachment is not stayed or discharged within ninety (90) days after its levy; or

(h) Tenant makes any sale, conveyance, assignment or transfer in violation of this Lease.

VIII.2 Remedies for Tenant’s Default. Upon or after the occurrence of any Event of Default which is not cured within any applicable cure period, and so long as same remains uncured, Landlord may terminate this Lease by providing not less than thirty (30) days’ written notice (which notice may be contemporaneous with any notice provided under Section VIII.1) to Tenant, setting forth Tenant’s uncured, continuing default and Landlord’s intent to exercise its rights to terminate, whereupon this Lease shall terminate on the termination date therein set forth unless Tenant’s default has been cured before such termination date. Upon such termination, Tenant’s interest in the Premises shall automatically revert to Landlord, Tenant shall promptly quit and surrender the Premises to Landlord, without cost to Landlord, and Landlord may, without demand and further notice, reenter and take possession of the Premises, or any part thereof, and

repossess the same as Landlord's former estate by summary proceedings, ejectment or otherwise without being deemed guilty of any manner of trespass and without prejudice to any remedies which Landlord might otherwise have for arrearages of Rent or other impositions hereunder or for a prior breach of the provisions of this Lease. The obligations of Tenant under this Lease which arose prior to termination shall survive such termination.

VIII.3 **Termination**. Termination by Landlord: The occurrence of any of the following shall give Landlord the right to terminate this Lease upon the terms and conditions set forth below:

- (a) Tenant fails to cause the Commencement Date to occur, within four (4) years following the Lease Date.
- (b) Institution of proceedings in voluntary bankruptcy by the Tenant.
- (c) Institution of proceedings in involuntary bankruptcy against the Tenant if such proceedings continue for a period of ninety (90) days or more.
- (d) Assignment of Lease by Tenant for the benefit of creditors.
- (e) A final determination of termination of this Lease in a court of law in favor of the Landlord in litigation instituted by the Tenant against the Landlord or brought by the Landlord against Tenant.
- (f) Tenant's failure to cure, within thirty (30) days following Tenant's receipt of written notice from Landlord with respect to Tenant's failure to cure a condition posing a threat to health or safety of the public or patrons (or such longer period if the default is not capable of being cured in such thirty (30) day period).

VIII.4 **Remedies Following Termination**. Upon termination of this Lease, Landlord may:

1. retain, at the time of such termination, any Rent or other impositions paid hereunder, without any deduction, offset or recoupment whatsoever; and
2. enforce its rights under any bond outstanding at the time of such termination; and
3. require Tenant to deliver to Landlord, or otherwise effectively transfer to Landlord any and all governmental approvals and permits, and any and all rights of possession, ownership or control Tenant may have in and to, any and all financing arrangements, plans, specifications, and other technical documents or materials related to the Premises.

VIII.5 **Regulatory Default**. Notwithstanding anything herein to the contrary, the following shall apply to any default declared as a result of any failure by Tenant to comply with the provisions of Section VIII.1:

Upon a determination by Landlord that Tenant has materially breached or defaulted on any of the obligations under Section VIII.1 (a "**Regulatory Default**"), Landlord shall notify Tenant of (i) the nature of the Regulatory Default, (ii) the actions required to be taken by Tenant in order to

cure the Regulatory Default, and (iii) the time, (a minimum of sixty (60) days or such additional time period as may be reasonable under the circumstances), within which Tenant shall respond with reasonable evidence to Landlord that all such required actions have been taken.

(a) If Tenant shall have failed to respond or take the appropriate corrective action with respect to a Regulatory Default to the reasonable satisfaction of Landlord within the applicable time period, then Landlord shall have the right to terminate the Lease or seek other legal or equitable remedies as Landlord determines in its sole discretion; provided, however, that if prior to the end of the applicable time period, Tenant seeks and receives a declaratory judgment or other order is issued from a court having jurisdiction that Tenant shall not have incurred a Regulatory Default, Landlord shall not terminate this Lease during the pendency of such action.

(b) In addition to and not in limitation of the foregoing, if Landlord shall determine that a Regulatory Default shall have occurred by reason of a default by Tenant's management agent, and that Tenant shall have failed to respond or take corrective action to the reasonable satisfaction of Landlord within the applicable cure period, then Landlord may require Tenant to take such actions as are necessary in order to terminate the appointment of the management agent pursuant to the terms of its management agreement and to appoint a successor management agent of the Premises.

VIII.6 Performance by Landlord. If Tenant shall fail to make any payment or perform any act required under this Lease, Landlord may (but need not) after giving not less than thirty (30) (except in case of emergencies and except where a shorter time period is specified elsewhere in this Lease) days' notice to Tenant and without waiving any default or releasing Tenant from any obligations, cure such default for the account of Tenant. Tenant shall promptly pay Landlord the amount of such charges, costs and expenses as Landlord shall have incurred in curing such default.

VIII.7 Costs and Damages. Tenant shall be liable to, and shall reimburse, Landlord for any and all actual reasonable expenditures incurred and for any and all actual damages suffered by Landlord in connection with any Event of Default, collection of Rent or other impositions owed under this Lease, the remedying of any default under this Lease or any termination of this Lease, unless such termination is caused by the default of Landlord, including all costs, claims, losses, liabilities, damages and expenses (including without limitation, reasonable attorneys' fees and costs) incurred by Landlord as a result thereof.

VIII.8 Remedies Cumulative. The absence in this Lease of any enumeration of events of default by Landlord or remedies of either party with respect to money damages or specific performance shall not constitute a waiver by either party of its right to assert any claim or remedy available to it under law or in equity.

VIII.9 Permitted Leasehold Mortgages. Neither the Tenant nor any permitted successor in interest to the Premises or any part thereof shall, without the prior written consent of the Landlord in each instance, engage in any financing or any other transaction creating any mortgage or other encumbrance or lien upon the Premises, whether by express agreement or operation of law, or suffer any encumbrance or lien to be made on or attach to the Premises, except for the Permitted Encumbrances and the leasehold mortgages securing the loans which will be obtained by Tenant for construction of the Improvements and closed on or about the Commencement

Date (the “Permitted Leasehold Mortgages”). With respect to the Permitted Leasehold Mortgages, the following provisions shall apply:

(a) When giving notice to the Tenant with respect to any default under the provisions of this Lease, the Landlord will also send a copy of such notice to the holder of each Permitted Leasehold Mortgage (each a “Permitted Leasehold Mortgage”), provided that each such Permitted Leasehold Mortgage shall have delivered to the Landlord in writing a notice naming itself as the holder of a Permitted Leasehold Mortgage and registering the name and post office address to which all notices and other communications to it may be addressed.

(b) Each Permitted Leasehold Mortgagee shall be permitted, but not obligated, to cure any default by the Tenant under this Lease within the same period of time specified for the Tenant to cure such default. The Tenant authorizes each Permitted Leasehold Mortgagee to take any such action at such Permitted Leasehold Mortgagee’s option and does hereby authorize entry upon the Premises for such purpose.

(c) The Landlord agrees to accept payment or performance by any Permitted Leasehold Mortgagee as though the same had been done by the Tenant.

(d) In the case of a default by the Tenant other than in the payment of money, and provided that a Permitted Leasehold Mortgagee has commenced to cure the default and is proceeding with due diligence to cure the default, the Landlord will refrain from terminating this Lease for a reasonable period of time (not to exceed 120 days from the date of the notice of default, unless (i) such cure cannot reasonably be completed within 120 days from the date of the notice of default, and (ii) a Permitted Leasehold Mortgagee continues to diligently pursue such cure to the reasonable satisfaction of the Landlord) within which time the Permitted Leasehold Mortgagee may either (i) obtain possession of the Premises (including possession by receiver); (ii) institute foreclosure proceedings and complete such foreclosure; or (iii) otherwise acquire the Tenant’s interest under this Lease. The Permitted Leasehold Mortgagee shall not be required to continue such possession or continue such foreclosure proceedings if the default which was the subject of the notice shall have been cured. Notwithstanding the foregoing, the Landlord will refrain from terminating this Lease in the event such Permitted Leasehold Mortgagee is enjoined or stayed in such possession or such foreclosure proceedings, and provided that the Permitted Leasehold Mortgagee has delivered to Landlord copies of any and all orders enjoining or staying such action, Landlord will grant such Permitted Leasehold Mortgagee such additional time as is required for such Permitted Leasehold Mortgagee to complete steps to acquire or sell Tenant’s leasehold estate and interest in this Lease by foreclosure of its Permitted Leasehold Mortgage or by other appropriate means with due diligence; however, nothing in this Section shall be construed to extend this Lease beyond the Term.

(e) Any Permitted Leasehold Mortgagee or other acquirer of Tenant’s leasehold estate and interest in this Lease pursuant to foreclosure, an assignment in lieu of foreclosure or other proceedings, any of which are permitted without the Landlord’s consent, may, upon acquiring the Tenant’s leasehold estate and interest in this Lease, without further consent of the Landlord, sell and assign the leasehold estate and interest in this Lease on such terms and to such persons and organizations as are acceptable to such Permitted Leasehold Mortgagee or acquirer and thereafter be relieved of all obligations under this Lease, provided such assignee has

delivered to the Landlord its written agreement to be bound by all of the provisions of this Lease. Permitted Leasehold Mortgagee, or its nominee or designee, shall also have the right to further assign, sublease or sublet all or any part of the leasehold interest hereunder to a third party without the consent or approval of Landlord.

(f) In the event of a termination of this Lease prior to its stated expiration date, the Landlord may enter into a new lease for the Premises with the Permitted Leasehold Mortgagee (or its nominee), for the remainder of the term, effective as of the date of such termination, at the same Rent payment and subject to the same covenants and agreements, terms, provisions, and limitations herein contained, provided that:

1. The Landlord receives the Permitted Leasehold Mortgagee's written request for such new lease within 30 days from the date of such termination and notice thereof by the Landlord to the Permitted Leasehold Mortgagee (including an itemization of amounts then due and owing to the Landlord under this Lease), and such written request is accompanied by payment to the Landlord of all amounts then due and owing to Landlord under this Lease and, within 10 days after the delivery of an accounting therefor by the Landlord, pays any and all costs and expenses incurred by the Landlord in connection with the execution and delivery of the new lease, less the net income collected by the Landlord from the Premises subsequent to the date of termination of this Lease and prior to the execution and delivery of the new lease, any excess of such net income over the aforesaid sums and expenses to be applied in payment of the Rent payment thereafter becoming due under the new lease, provided, however, that the Permitted Leasehold Mortgagee shall receive full credit for all capitalized lease and Rent payments previously delivered by the Tenant to the Landlord; and

2. Upon the execution and delivery of the new lease at the time payment is made in (1) above, all subleases which thereafter may have been assigned and transferred to the Landlord shall thereupon be assigned and transferred without recourse by the Landlord to the Permitted Leasehold Mortgagee (or its nominee), as the new Tenant.

3. If a Permitted Leasehold Mortgagee acquires the leasehold estate created hereunder or otherwise acquires possession of the Premises pursuant to available legal remedies, Landlord will look to such holder to perform the obligations of Tenant hereunder only from and after the date of foreclosure or possession and will not hold such holder responsible for the past actions or inactions of the prior Tenant. Permitted Leasehold Mortgagee's liability shall be limited to the value of such Permitted Leasehold Mortgagee's interest in this Lease and in the leasehold estate created thereby.

Notwithstanding the foregoing and to the extent permitted by Section 42 of the Code, the deadline to complete construction of the Improvements set forth in Article V shall be extended for such period of time as may be reasonably required by the Permitted Leasehold Mortgagee or its nominee to complete construction.

ARTICLE IX

SOVEREIGNTY AND POLICE POWERS

IX.1 **Landlord as Sovereign.** It is expressly understood that notwithstanding any provision of this Lease and the Landlord's status thereunder:

1. The Landlord retains all of its sovereign prerogatives and rights as a school board under Florida laws and shall in no way be estopped from withholding or refusing to issue any approvals of applications for tax exemption, building, zoning, planning or development under present or future laws and regulations of whatever nature applicable to the planning, design, construction and development of the Premises or the operation thereof, or be liable for the same; and

2. The Landlord shall not by virtue of this Lease be obligated to grant the Tenant any approvals of applications for tax exemption, building, zoning, planning or development under present or future laws and ordinances of whatever nature applicable to the planning, design, construction, development and/or operation of the Premises.

IX.2 **No Liability for Exercise of Police Power.**

Notwithstanding and prevailing over any contrary provision in this Lease, or any Landlord covenant or obligation that may be contained in this Lease, or any implied or perceived duty or obligation including but not limited to the following:

(i) To cooperate with, or provide good faith, diligent, reasonable or other similar efforts to assist the Tenant, regardless of the purpose required for such cooperation;

(ii) To execute documents or give approvals, regardless of the purpose required for such execution or approvals;

(iii) To apply for or assist the Tenant in applying for any county, city or third party permit or needed approval; or

(iv) To contest, defend against, or assist the Tenant in contesting or defending against any challenge of any nature;

shall not bind the Landlord or any other county, city, federal or state department or authority, committee or agency to grant or leave in effect any tax exemptions, zoning changes, variances, permits, waivers, contract amendments, or any other approvals that may be granted, withheld or revoked in the discretion of the Landlord or any other applicable governmental agencies in the exercise of its police power; and the Landlord shall be released and held harmless, by the Tenant from and against any liability, responsibility, claims, consequential or other damages, or losses to the Tenant or to any third parties resulting from denial, withholding or revocation (in whole or in part) of any zoning or other changes, variances, permits, waivers, amendments, or approvals of any kind or nature whatsoever. Without limiting the foregoing, the parties recognize that the approval of any building permit and/or certificate of occupancy or tax exemption will require the Landlord to exercise its quasi-judicial or police powers. Notwithstanding any other provision of

this Lease, the Landlord shall have no obligation to approve, in whole or in part, any application for any type of tax exemption, permit, license, zoning or any other type of matter requiring government approval or waiver. The Landlord's obligation to use reasonable good faith efforts in the permitting of the use of Landlord-owned property shall not extend to any exercise of quasi-judicial or police powers, and shall be limited solely to ministerial actions, including the timely acceptance and processing of any requests or inquiries by Tenant as authorized by this Lease. Moreover, in no event shall a failure of the Landlord to adopt any of the Tenant's request or application for any type of permit, license, zoning or any other type of matter requiring government approval or waiver be construed a breach or default of this Lease.

ARTICLE X

(a) Keep and maintain public records that ordinarily and necessarily would be required by Landlord in order to perform the service;

(b) Upon request of from Landlord's custodian of public records identified herein, provide the public with access to public records on the same terms and conditions that Landlord would provide the records and at a cost that does not exceed the cost provided in the Florida Public Records Act, Miami-Dade County Administrative Order No. 4-48, or as otherwise provided by law;

(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of this Lease's term and following completion of the work under this Lease if Tenant does not transfer the records to Landlord; and

ARTICLE XI

DUE DILIGENCE PERIOD

Upon the commencement of this Lease, Tenant shall promptly proceed to conduct studies, testing and evaluations on the Land, including but not limited to, assessments of soil and subsurface conditions, utility services, environmental audits, title review, reports and commitments and surveys of the Land that are required by applicable laws or that Tenant, in its reasonable discretion, determines to be necessary or prudent. Tenant shall be allowed a period of one hundred eighty (180) days from the Lease Date to complete such studies, subject to Economic Unavoidable Delays and extensions of time approved by the Landlord in writing (“Due Diligence Period”). If during that period of time, Land conditions are found to exist which 1) would prevent or significantly and materially impair the development of the Project as proposed, or which would materially increase the cost of the Project, 2) were not previously disclosed by the Landlord, and 3) could not reasonably be foreseen by Tenant as of the Lease Date, then in addition to any other rights Tenant has hereunder, Tenant shall have the following rights:

XI.1 The right to terminate this Lease by giving written notice to the Landlord at any time during the Due Diligence Period. In such event this Lease shall terminate fifteen (15) business days following Landlord’s receipt of notice of termination; or

XI.2 The right to propose an agreement with the Landlord which provides for an equitable means of remediating the unforeseen conditions such that the Project may be developed substantially as proposed by the Tenant. Such proposal must be submitted to the Landlord in writing within thirty (30) days after discovery and notification by the Tenant to the Landlord of the unforeseen conditions, subject to Economic Unavoidable Delays and extensions of time

approved by the Landlord in writing. The Landlord shall have the right, in its sole discretion, to determine the final form of any such agreement, which shall be in writing, or to reject any such proposal. Failure of the parties to agree to such agreement within thirty (30) days of the Landlord's receipt of Tenant's proposal, subject to Economic Unavoidable Delays and extensions of time approved by the Landlord in writing, shall (i) result in the termination of this Lease or (ii) the Parties can agree to allow Tenant to develop the Project in substantially the form described in this Lease; or

XI.3 The right to request a redesign of the Project as may be reasonably required as a result of the unforeseen conditions found and request an equitable adjustment in the Rent based upon the reduction in the amount and character of the space or other aspect of the Project described in this Lease, which will be denied to the Tenant as a result of the unforeseen conditions. Such request and adjustment, as may be negotiated and amended, must be approved by the Landlord in its sole but reasonable discretion and agreed to by the Parties in writing within thirty (30) days after discovery and notification by the Tenant to the Landlord of the unforeseen conditions, subject to Economic Unavoidable Delays and extensions of time approved by the Landlord in writing. Failure of the Parties to agree to such adjustment within such period of time shall (i) result in the termination of this Lease or (ii) the Parties can agree, if feasible, to allow Tenant to develop the Project in substantially the form described in this Lease.

XI.4 In the event that this Lease is terminated as provided above, Tenant shall restore the Premises to repair any damage caused by Tenant to the satisfaction of the Landlord which shall not be unreasonably withheld.

XI.5 In the event that this Lease is not terminated, Tenant shall promptly make any design revisions to the Project necessitated by the unforeseen conditions and submit the revisions to the Landlord for its approval. Such revisions and adjustments shall not delay the Commencement Date for a period longer than one hundred and twenty (120) calendar days, subject to Economic Unavoidable Delays and extensions of such period of time granted by the Landlord in writing.

XI.6 The rights provided by this Section shall not apply to any conditions which are discovered after the Due Diligence Period.

ARTICLE XII

INTENTIONALLY DELETED

ARTICLE XIII

ADDITIONAL PROVISIONS PERTAINING TO REMEDIES

XIII.1 **Reinstatement.** Notwithstanding anything to the contrary contained in the Lease, in the event Landlord exercises its remedies pursuant to Article VIII and terminates this Lease, Tenant may, within 90 days following such termination reinstate this Lease for the balance of the

Term by paying to Landlord an amount equal to the actual damages incurred by Landlord as a result of the breach that resulted in such termination and any actual costs or expenses incurred by Landlord as a result of such reinstatement of this Lease, if agreed in the sole and absolute discretion of the Landlord.

XIII.2 **Notice.** Notwithstanding anything to the contrary contained in the Lease, Landlord shall not exercise any of its remedies hereunder without having given notice of the Event of Default or other breach or default to the Investor (following the admission of the Investor) simultaneously with the giving of notice to Tenant as required under the provisions of Article VIII of the Lease. The Investor shall have the same cure period after the giving of a notice as provided to Tenant, plus an additional period of 60 days. If the Investor elects to cure the Event of Default or other breach or default, Landlord agrees to accept such performance as though the same had been done or performed by Tenant in Landlord's reasonable discretion.

XIII.3 **Investor.** Notwithstanding anything to the contrary contained in the Lease, following the admission of the Investor, the Investor shall be deemed a third-party beneficiary of the provisions of this Section for the sole and exclusive purpose of entitling the Investor to exercise its rights to notice and cure, as expressly stated herein. The foregoing right of the Investor to be a third-party beneficiary under the Lease shall be the only right of Investor (express or implied) to be a third-party beneficiary hereunder.

XIII.4 **New Manager.** Notwithstanding anything to the contrary contained in the Lease, Landlord agrees that it will take no action to effect a termination of the Lease by reason of any Event of Default or any other breach or default without first giving to the Investor reasonable time, not to exceed thirty (30) days, to replace Tenant's manager and/or admit an additional manager and cause the new manager to cure the Event of Default or other breach or default; provided, however, that as a condition of such forbearance, Landlord must receive notice from the Investor of the substitution or admission of a new manager of Tenant within ten (10) days following Landlord's notice to Tenant and the Investor of the Event of Default or other breach or default, and Tenant, following such substitution or admission of the manager, shall thereupon proceed with due diligence to cure such Event of Default or other breach or default. In no event, however, shall Landlord be required to engage in the forbearance described in this section for a period longer than two (2) months, regardless of the due diligence of the Investor or the new manager.

ARTICLE XIV

Any and all rights and remedies which either party may have under this Lease or by operation of law, either at law or in equity, upon any breach, shall be distinct, separate and cumulative and shall not be deemed inconsistent with each other; and no one of them whether exercised by said party or not, shall be deemed to be in exclusion of any other; and two or more or all of such rights and remedies may be exercised at the same time.

XV.6 **Decision Standards**. In any approval, consent or other determination by any party required under any provision of this Lease, the party shall act reasonably, in good faith and in a timely manner, unless a different standard is explicitly stated.

XV.7 **Bind and Inure**. Unless repugnant to the context, the words Landlord and Tenant shall be construed to mean the original parties, their respective successors and assigns and those claiming through or under them respectively. Compliance with the foregoing requirements shall not relieve Tenant of their liability and obligation under this section or under any other section of this agreement

Execution of this Lease is contingent upon the receipt of the insurance documents, as required, within fifteen (15) calendar days after Landlord’s notification to Tenant to comply before the award is made. If the insurance certificate is received within the specified time frame but not in the manner prescribed in this Lease, the Tenant shall be verbally notified of such deficiency and shall have an additional five (5) calendar days to submit a corrected certificate to the Landlord. The Tenant hereby agrees that all insurance proceeds from the All Risk Builder Risk Completed Value Form policy (or if converted, the “***all risk***” or comprehensive policy) shall be used to restore, replace or rebuild the Improvements, if the Tenant determines that it is in its best interest to do so, subject to the requirements of any approved mortgage lien holder’s rights secured against the Premises and subject further to the terms of Article VI of the Lease.
