#### **Alberto Milo Jr. – Principal and President, Related Urban**

Alberto Milo Jr. leads Related Urban Development Group (RUDG), the affordable housing division of the nation's most prolific development company, Related Group. In this role, he is responsible for the overall design, development, construction, financing and budgeting for each project within RUDG's portfolio, whether public, affordable, workforce or mixed-income housing. Most recently, RUDG has begun an ambitious new set of projects which are designed to eliminate many of the drawbacks historically associated with public housing developments. Among these is the \$600 million River Parc master plan in Miami's Little Havana neighborhood, which is cited as the most ambitious affordable housing development in the county to date, built in partnership with Miami-Dade County. The development will contain over 2,500 units along with a new Riverwalk and commercial opportunities. Similarly, a \$400 million mixed-income riverfront development is underway in Tampa's historic West River district, developed in collaboration with the Tampa Housing Authority. Albert and his team are also currently working on the redevelopment of Liberty Square, the oldest and largest public housing development in the Southeastern United States. Prior to his tenure at RUDG, Albert owned and operated real estate development, real estate brokerage and mortgage brokerage companies over the span of 20 years. After developing his first affordable housing development in 1999, he formed The Urban Development Group in 2002, focused on revitalizing communities by creating affordable homeownership for underserved markets.
