

Dr. Dawn M. Baglos, Chief Human Capital Officer
Office of Human Capital Management

**SUBJECT: REQUEST APPROVAL OF ADMINISTRATIVE APPOINTMENTS FOR
2026-2027**

COMMITTEE: PERSONNEL, STUDENT, SCHOOL, AND COMMUNITY SUPPORT

**LINK TO STRATEGIC
PLAN: HIGHLY EFFECTIVE TEACHERS, LEADERS AND STAFF**

The administrative assignment recommendations are made in accordance with Board Policies 1111; 1120; 1130; 1130.01; 3120.01, and the Miami-Dade County Public Schools/Dade County School Administrators' Association labor contract.

Considerations for reassignments of managerial exempt, professional and technical personnel were predicated upon an intensive review of information by appropriate administrators. Based upon current job trends, a competitive market analysis, and/or a demonstrated market demand, the Superintendent has the authority to adjust compensation upon appointment and thereafter, within the pay grade set forth in this item, to effectively recruit and retain the most talented workforce. Outside candidates must successfully complete any State and District mandated background screening requirements [e.g., fingerprinting (Level II), drug screening], prior to hiring.

The recommended managerial exempt, professional and technical personnel appointments reflect the honoring of requests for lateral reassignments, where possible. Assignments of personnel and appointments of managerial exempt, professional and technical staff may be a result of the Board-approved advertisement and selection process, or by a direct appointment of an individual who has demonstrated the specific qualifications and background applicable to the position.

State statutes and subsequent changes in Board policies governing Administrative/Professional and Technical Staffing require that all first year principalship appointments be "Interim" appointments.

In order to fill school-site allocations and other allocations vacated by promotion, leave, retirement, and other attritional factors, it is recommended that the following personnel assignments be authorized by the School Board. Revisions, additions and/or deletions may be made to the recommended personnel assignments, as necessary, to ensure efficient school system operations, and if such modifications are made, a revised Board item will be submitted, prior to the Board meeting.

The Chief Financial Officer (CFO) of Miami-Dade County Public Schools has tendered his resignation, concluding a distinguished career spanning decades of dedicated service to the District. To ensure continuity of financial operations and leadership, an Interim Chief Financial Officer has been identified who will serve in this capacity while the District completes a comprehensive search and interview process to select a CFO that will commence in August after the new school year begins. Additionally, an interim Deputy Chief Financial Officer has

ADDED

**Revised²
D-21**

been identified to build capacity and support the interim CFO. This item seeks the Board's approval of the interim appointments to maintain the stability and effective management of the District's financial affairs. Given the transition to an incoming superintendent, these positions are being recommended on an interim basis and the treasurer and chief procurement officer positions will not be filled.

Furthermore, as we continue to analyze positions for possible rightsizing an additional 15 positions have been identified for closure for a cost savings of \$1.5 million. This action advances the District's ongoing efforts to streamline operations and capture additional fiscal efficiencies. The affected positions are comprised of clerical exempt (3), professional and technical (1), and administrative (11).
