2. Instructional Personnel Assigned to Teach Out-of-Field:

Florida State Board Rule 6A-1.0503(4), authorizes the School Board to approve those teachers assigned to teach out-of-field. To ensure that the District receives the highest levels of Florida Education Finance Program (FEFP) funding possible, instructional personnel requiring School Board approval to teach out-of-field is submitted to the Board.

The District, with support from region offices, schools and Information Technology Services, closely monitors out-of-field assignments, as well as teachers on such assignments, to insure compliance with appropriate certification requirements and timelines. Said requirements and timelines are as follows:

- Individuals assigned to teach out-of-field must complete at least 6 semester hours of college credit or 120 inservice points toward in-field compliance each year. For Bachelor's degree level subjects, achievement of a passing score on the appropriate subject area examination earned since July 1, 2002, meets all requirements toward in-field compliance. All requirements toward in-field certification must be completed within three years.

- Out-of-field teachers assigned to teach English to Speakers of Other Languages (ESOL) must complete at least three semester hours of college credit or the equivalent toward the ESOL requirements within the first two calendar years from the date of the initial assignment. Additionally, three semester hours or the equivalent must be completed during each year thereafter until all requirements are completed.

The list for approval of instructional personnel assigned to teach out-of-field will be available for inspection, by the public, in the Office of Board Recording Secretary, Room 924, and in the Citizen Information Center, Room 102, 1450 NE Second Avenue, Miami, Florida, 33132, prior to the Board Meeting of September 9, 2026.

RECOMMENDED: That The School Board of Miami-Dade County, Florida, approve the:

1. Personnel Action Listing 1207 for Instructional and Support Personnel appointments, reassignments, leaves, separations, retirements, and resignations from July 24, 2026 through August 12, 2026.

2. Instructional personnel assigned to teach out-of-field for the 2026-2027 October FTE Survey.
