# Dual Enrollment

- Dual enrollment provides students the opportunity to enroll in college courses while still in high school.
- At M-DCPS, dual enrollment is provided through:
  - ✓ Miami-Dade College (MDC)
  - ✓ Florida International University (FIU)
  - ✓ University of Florida
  - ✓ Embry Riddle University
  - ✓ St. Thomas University
  - ✓ Florida Memorial University
  - ✓ Johnson and Whales University

# Dual Enrollment

- Students who qualify may enroll in a college course and the tuition and textbook costs are waived for the student.
- Students can take courses at the college/university after regular school hours, at their high school, or in the summer.
- Currently there are 10,000 students taking DE courses.

# Dual Enrollment (continued)

- Upon completion of the course, the credit earned can be used towards fulfillment of a high school graduation requirement.
- Academic credits can also be used as college credit.
- In order to qualify for dual enrollment, students must have a 3.0 unweighted high school GPA.
- Students must meet all the criteria for admission to the college/university.
- DE courses are also available to grade 6-8 students. Courses in the elective areas are recommended.

# Dual Enrollment Courses:

- ▶ HS equivalency and course approval criteria is set by the State Equivalency list. Updated and published annually.
- ▶ Approved courses are listed on the District's Curriculum Bulletin:  
<http://oada.dadeschools.net/CBI/CBI.asp>
- ▶ DE courses are not repeatable. There is no grade forgiveness.
- ▶ These courses earn 2 points in weighted GPA.

# Dual Enrollment

The following schools offer specialized Collegiate High School programs where students earn an Associate Degree while still in high school:

- **School of Advanced Studies (SAS)**
  - ✓ Miami Dade College - Kendall
  - ✓ Miami Dade College - North
  - ✓ Miami Dade College - Homestead
  - ✓ Miami Dade College - Doral West
  - ✓ Miami Dade College - Wolfson
  
- **Advanced Academics Academy - AAA @ FIU**

# DE Course participation and grades

- ▶ DE courses meet the curricular expectations and are at the same depth and rigor of non-dual enrollment postsecondary instruction, including those offered on the high school campus. Upon being admitted into the DE program, students must adhere to college/university student's rights and responsibilities, course schedule, grading evaluation process, academic dishonesty, and disciplinary procedures.
- ▶ Dual enrollment courses become a part of a student's permanent college transcript; thus grades will become part of permanent high school and college transcripts.
- ▶ Dual enrollment courses are not repeatable.
- ▶ There is no grade forgiveness for dual enrollment courses.

# Early Admissions

- ▶ FIU and MDC
- ▶ Grade 12 students complete up to 30 college credits, full time on the college/university campus
- ▶ Tuition, fees, and books are provided at no cost to the student
- ▶ Students are not withdrawn in DSIS
- ▶ Courses are entered in PF1
- ▶ Ensure that graduation requirements are met
- ▶ Monitor progress
- ▶ Early Admissions Agreement FM#2829<sub>8</sub>
