

Miami-Dade County Public Schools
Superintendent's District Advisory Panel for Exceptional Student Education
Gifted Sub-Committee
Minutes from February 13, 2019 Meeting

Discussion Items

- **Additional Professional Development for Gifted Program**
 - ✓ Propose a professional development opportunity for teachers of the gifted during the Summer break that will focus on enrichment activities that increase creativity and critical thinking in the curriculum.
 - ✓ Propose a professional development opportunity for teachers of the gifted utilizing the Junior Great Books series which incorporates the shared inquiry method and combines high-quality literature, student-centered discussion, and activities that support reading comprehension, critical thinking, speaking and listening, and writing.
- **Support for Gifted Program from School-Site Administrators and Community**
 - ✓ Schedule a meeting with school-site administrators focusing on the importance of identifying and meeting the needs of gifted learners, including those in middle schools (middle school gifted elective course).

Next meeting-Wednesday, April 17, 2019 at 8:30 AM in SBAB.
