# Main Daily Schedule

# Individual Schedule on each student's locker

Individualized  
work job  
schedule is  
posted above  
daily schedule.

# Bottom of daily schedule

Finished basket to place icons from daily schedule.

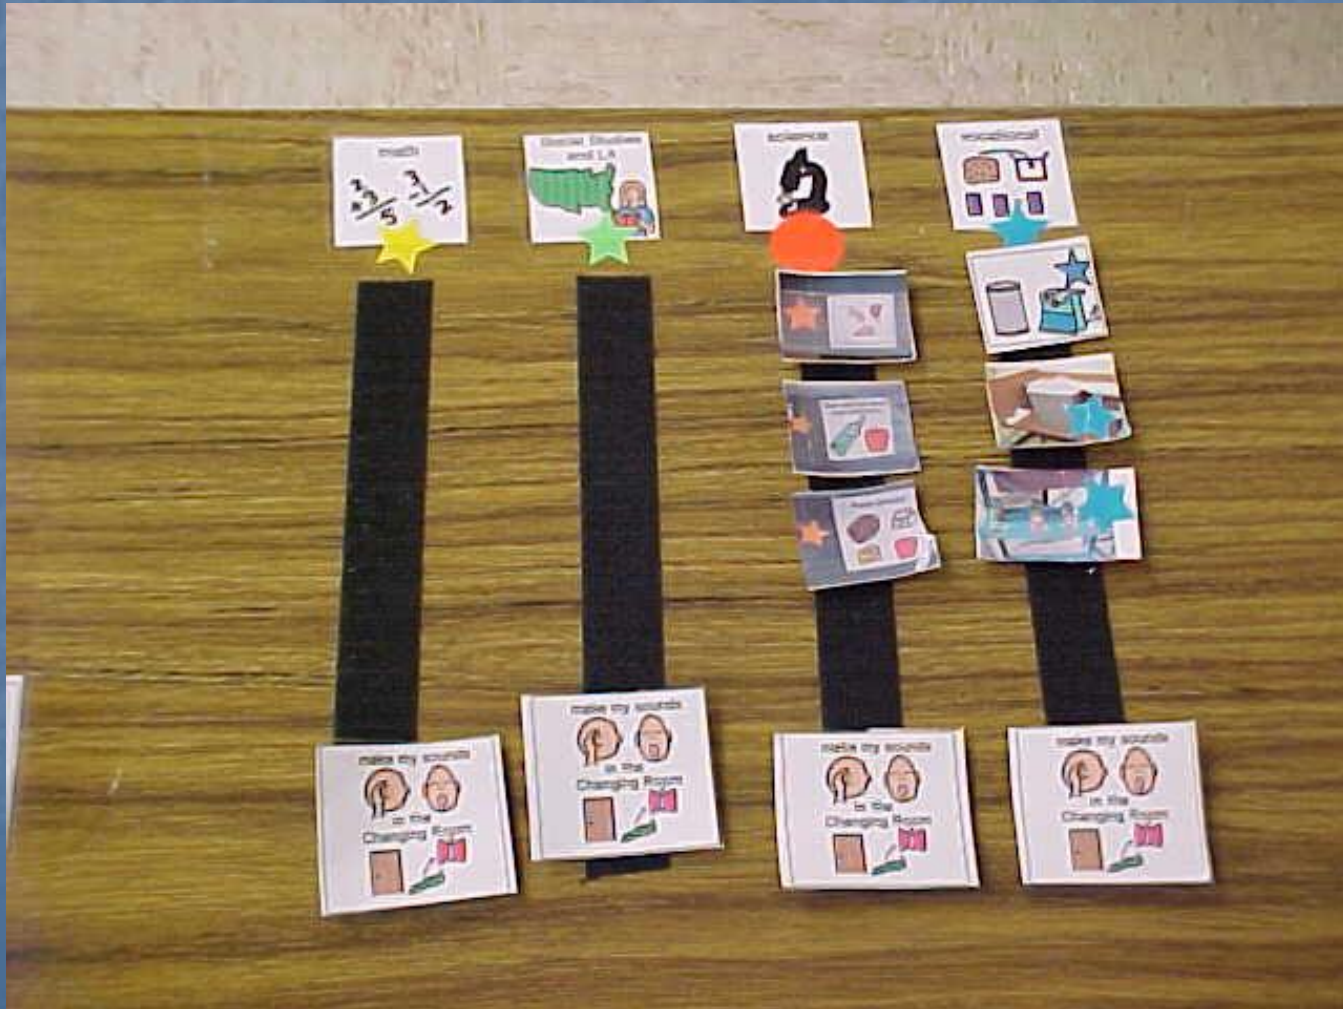

Close up of individual workjob schedule. If student doesn't finish all his/her workjobs during the time allotted he/she must add the unfinished workjob to the "Finish Later" row.

This individual workjob schedule has been placed on the student's work area as going back and forth to the lockers after each activity was too overwhelming for him.

Students place their workjob icons in the finished basket after they locate the workjob from the shelves.

# Social Studies and Language Arts Workjobs (coded with green dots)

## Vocational Workjobs (coded with blue dots)

Science Workjobs (coded with orange dots)

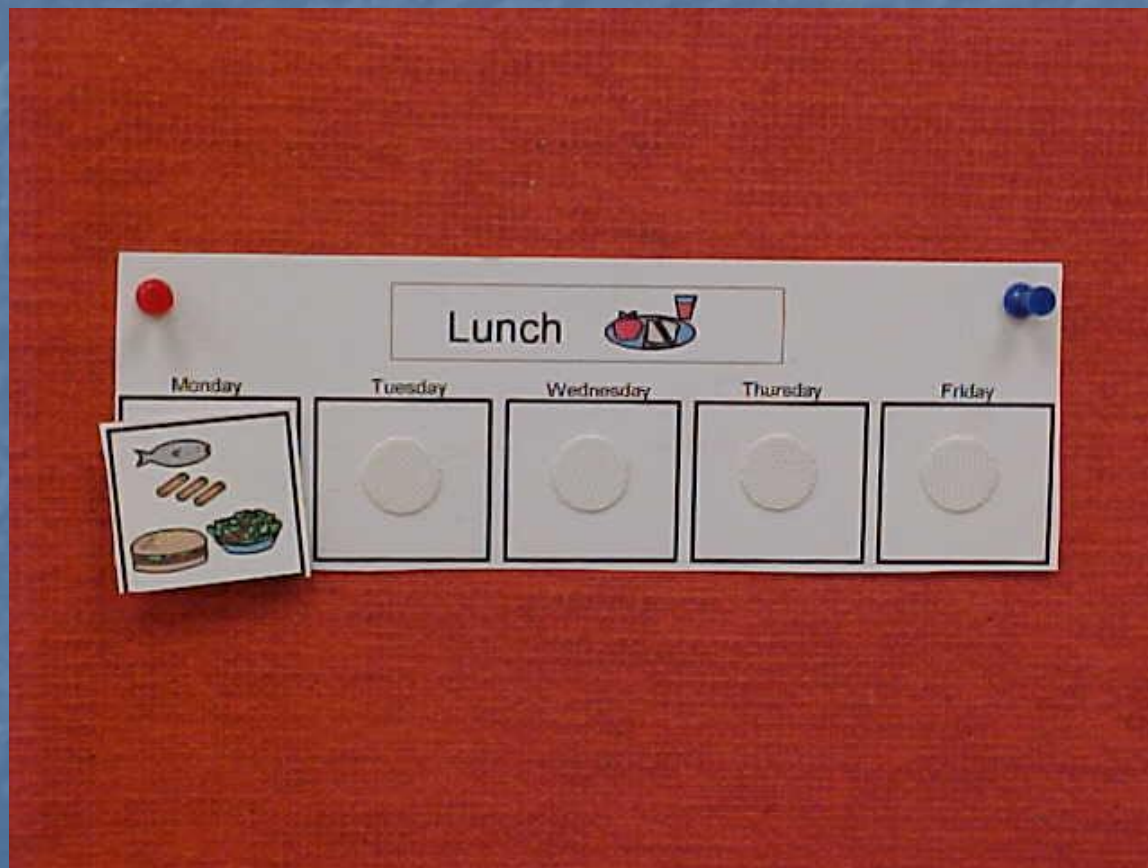

Math Workjobs (coded with yellow dots)

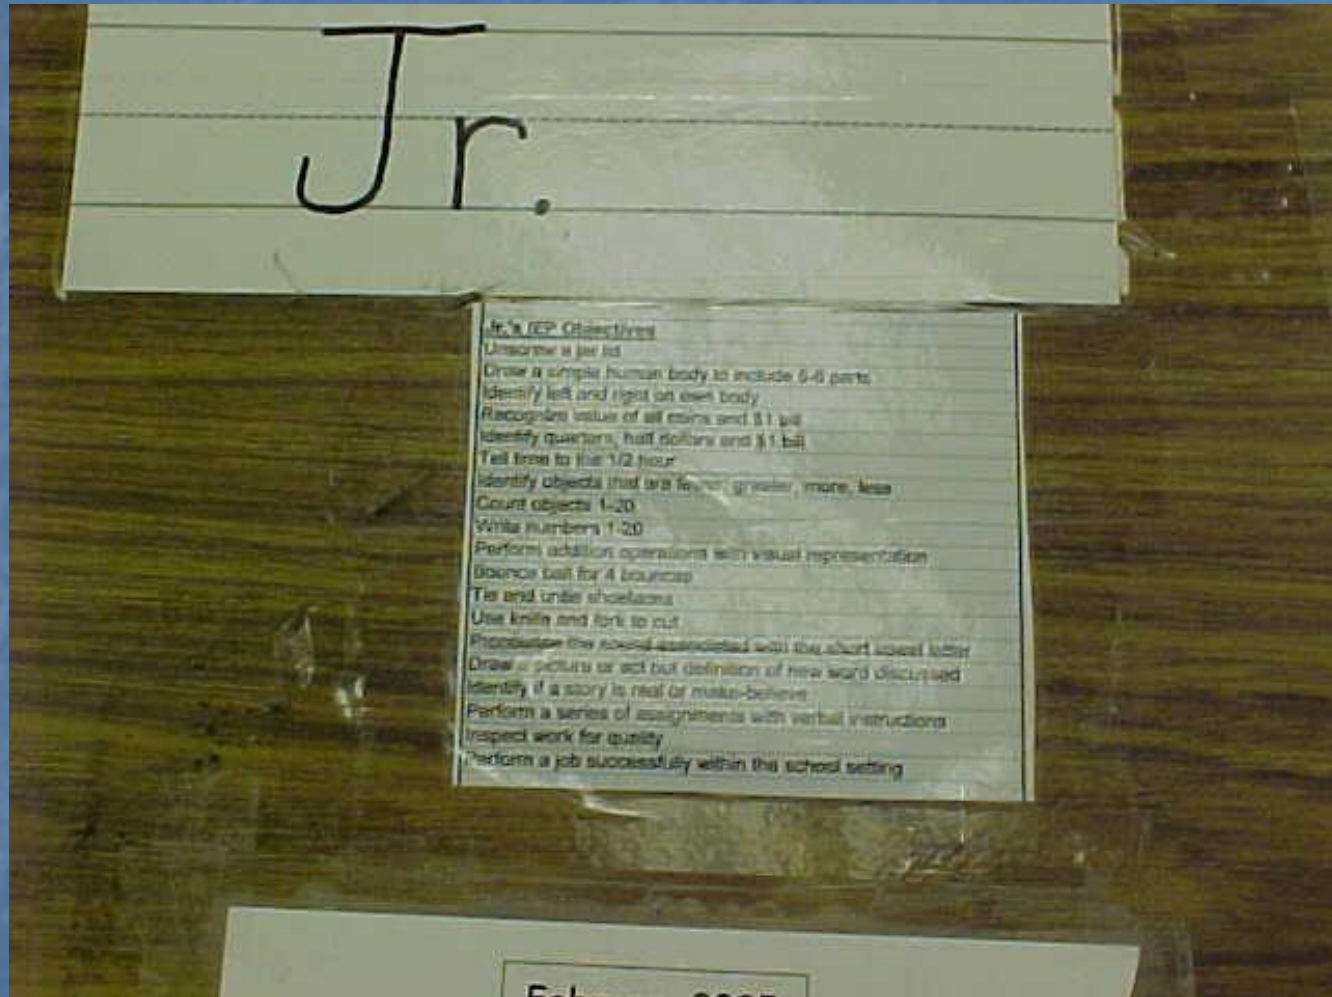

All workjob boxes are labeled with a picture and a small title. The individual workjob schedule icons match these labels.
