## Miami-Dade County Public Schools – ESY Reports

1. Click on Plan Management
2. On the Left Navigation, Click on Dashboards & Reports
3. Click on Dashboards & Reports
4. Scroll Down to the Folder MDCPS – Reports
5. The ESY Dashboards are:
  - a. MDCSY – ESY Data
  - b. MDCSY – ESY Services
6. Click on Filters to filter for specific students

The screenshot displays the Frontline IEP system interface for Miami-Dade County Public Schools. The navigation menu on the left is expanded to show 'Dashboards & Reports' (step 2). The main content area shows the 'Dashboards & Reports' section (step 3) with a sub-menu for 'MDCPS - Reports' (step 4) containing 'MDCPS - ESY Data' and 'MDCPS - ESY Services'. The 'MDCPS - ESY Data' dashboard is selected, displaying the 'IEP ESY Student Data' table (step 5). The table has columns for Region, Location, School Name, Student ID, Student Status, Last Name, First Name, Grade, Primary Exceptionality, Event Name (Most Current Locked), Locked Date (Most Current Locked), and Plan Event Name (Last Locked). A 'Filters' panel is open (step 6) with sections for Region, Location, and School Name, each containing an 'Include all' button and a toggle switch.
