

Table of Summer Offerings

We have created a table of summer offerings that will assist you in determining what summer programming may be best for your students. Note that this table is not exhaustive. Further guidance on available programming and scheduling can be found in the *2023 Summer Scheduling Information Chart* [HERE](#).

Please ensure that third grade retained students and students in need of credit recovery are scheduled as delineated in the *2023 Summer Implementation Guide*.

	ESY- Traditional *ESY must be selected on IEP	ESY- SAND Academy *ESY must be selected on IEP	Smart Start Camps	Credit Recovery *Note: Credit Recovery Courses must take priority for any students lacking credits for promotion or graduation requirements.
Who may attend?	<ul style="list-style-type: none"> This is only offered to SWDs who have ESY on their IEP. 	<ul style="list-style-type: none"> This offering is for SWDs who: <ul style="list-style-type: none"> Have ESY on their IEP; Are on standard curriculum (B.E.S.T. standards) Ideal candidates are those students who are working at a foundational level in reading and math. 	<ul style="list-style-type: none"> This is offered to any M-DCPS Rising Grades 1, 2, 4, 5, 6, 7, and 8 students on a standard curriculum (with or without a disability). 	<ul style="list-style-type: none"> Credit Recovery courses are offered to students in grades 6-12 to be able to recover courses they have failed during the regular school year. These courses help students continue their path to graduation.
What will instruction look like?	<ul style="list-style-type: none"> Instruction is provided to address goals outlined in the students' Individualized 	<ul style="list-style-type: none"> Research-based instructional strategies will be used to target deficits in Reading and Math. 	<ul style="list-style-type: none"> Elementary Smart Start Camps will provide students the opportunity to continue their learning and development through fun and 	<ul style="list-style-type: none"> Please visit summer305.dadeschools.net

	Education Plans (IEPs).		<p>engaging activities. Students will participate in academic programming that will work on unfinished learning for math and reading that will prepare them for the next grade level.</p> <ul style="list-style-type: none"> Smart Start Teen Camps will provide students the opportunity to continue their learning and development through fun, hands-on and engaging activities. Students will participate in integrated programming that will build on their academic foundations through elective offerings while learning priority skills that will get them ready for the next grade level. 	<ul style="list-style-type: none"> Course Recovery courses are courses with specific content requirements defined by state academic standards (SAS). Students enrolled in a Course Recovery course must have previously attempted the corresponding course (and/or End-of-Course assessment) since the course requirements for the Course Recovery course are the same as the previously attempted corresponding course. The instructional benchmarks in these courses are mastery goals that students are expected to attain by the end of the course. Therefore, instruction is guided by the state academic standards (SAS).
Where will it take place?	<ul style="list-style-type: none"> Designated ESY sites 	<ul style="list-style-type: none"> Designated ESY sites 	<ul style="list-style-type: none"> Please visit summer305.dadeschools.net 	
Who may I contact with questions?	<ul style="list-style-type: none"> Department of Exceptional Student Education (ESE) Contact: ese@dadeschools.net 	<ul style="list-style-type: none"> Department of Exceptional Student Education (ESE) Contact: ese@dadeschools.net 	<ul style="list-style-type: none"> Please visit summer305.dadeschools.net 	<ul style="list-style-type: none"> Course Recovery courses are offered at the open Summer305 middle school sites and for high school through the Adult Education sites.
