

How will the Florida Standards Alternate Assessment (FSAA) End-of-Course Assessment results affect my final grade in the course for this school year?

REQUIREMENT: Florida Senate Bill 1076 requires that the EOC assessment results make up 30 percent of all students' final course grades for the following courses:

- Algebra 1 and Geometry
- Biology, Civics and U.S. History

Students must earn a passing grade in a course with the 30 percent calculation applied in order to earn high school credit.

What will your final grade be including your score on the FSAA EOCs?

| Teacher Final Grade | NEW FINAL GRADE | | | |
|---------------------|-----------------|---------------|---------------|---------------|
| | EOC Score = 4 | EOC Score = 3 | EOC Score = 2 | EOC Score = 1 |
| A | A | A | B | B |
| B | B | B | B | C |
| C | B | C | C | C |
| D | C | C | D | D |
| F | D | D | D | F |

The 30 percent computation will be applied to annual, semester 1 and semester 2 courses.
