

Reevaluation Referral Checklist for Parentally-Placed Private School Students

The following checklist is provided to facilitate the reevaluation process for children with disabilities in private schools.

Exceptional Student Education (ESE) Service Center - Private School Intake (PSI) Offices
<http://privateschoolsidea.dadeschools.net/>

1. **Parents/Guardians, with the assistance of the private school, must gather as much existing/pertinent information as possible on the child's current levels of performance.**

The following documents **are required**:

- Private School Intake (PSI) - Referral Cover Page
- Two Teacher Observations, Form 7073
- Reevaluation Team Meeting Teacher Feedback Form
- Consent Form for Mutual Exchange of Information, Form 2128

The following documents **can be used** to support to prepare for the RT meeting:

- Grades, work samples, attendance records, and discipline records
- Any standardized test scores
- Any private medical, psychoeducational evaluations

If a change in special education eligibility is being considered, then the following is recommended:

Sensory screening information (vision & hearing) - School Entry Health Form provided by Pediatrician;
If Not available, please use forms listed below

- Vision – Form 2125
- Hearing – Form # 7409

2. Individualized interventions-Any of the plans below could be used to document private school efforts in:

Academics:

- Multi-Tiered System of Supports (MTSS) Intervention Plan, Form 6290

Social Emotional-Behavioral:

- Social Emotional-Behavioral Intervention Plan (SE-BIP), Form 6287

AND

- Must also include the MTSS Structured Interview, Form 6660

3. The guardian then delivers the **completed packet** via email to ESE Support ese@dadeschools.net or by fax to 305-666-1250 or to the address below.

When emailing, please write PSI EVALUATION on the subject line of email. Documents must be submitted in PDF format only, do not submit in Jpeg. All documents should be submitted together in one submission.

The PSI Team will review the documentation, inform the parent/school if any additional documentation is needed
A Receipt of Private Evaluation or Documentation FM 7087 will be provided when the complete packet is submitted

4. The guardian will be contacted with the date and time of their Re-evaluation (RT) Team Meeting appointment.
At the RT meeting, all the collected data will be reviewed and discussed - this concludes the RT Evaluation.
If additional (formal assessment) data is deemed necessary by the RT Team, a Consent for Reevaluation will be secured.
Please note: Private school teacher **is required to participate** in this meeting (in person, by phone or inwriting)
5. If formal assessment is necessary, an evaluation is then scheduled and conducted at a PSI M-DCPS office closest to the student's home address or Via Zoom.

6. After the evaluation, the PSI office will schedule an eligibility meeting with the parent/guardian
At this meeting, a review of the assessment results will be conducted, and ESE eligibility determined, if applicable.

Tier 3 Response:

Documents:

- Tier 3 intervention determined valid and reliable
- Tier 3 data (graph) is attached and reviewed

Existing Tier 3 data indicates the following course of action should be taken (select one):

- Option A:** Student is making **positive** progress (increased rate of improvement and reduced level of risk). Team will consider removing all supplemental services, removing some supplemental service, or maintain the current level of supplemental service.
- Option B:** Student progress is **questionable** (minimal rate of improvement and no reduction of risk). Team will consider adjusting supplemental intervention(s) and/or secure consent to evaluate (FM# 4961). A **questionable** rate of progress also includes information suggesting an acceptable rate of improvement, but the effort to maintain the Tier 3 intervention is substantial and unsustainable in the general education setting.
- Option C:** Student progress is **poor** (decreased rate of improvement and increased level of risk). Team will consider adjusting supplemental intervention(s) and secure consent to evaluate (FM# 4961).
