Missing the bus to Project STRIVE

If you miss the bus at your home, you must report to your counselor or Program Specialist. The counselor or Program Specialist will assign you to an alternate class for the remainder of the period. All students are given an opportunity to complete missed assignments for that day. Each student has three (3) days to submit their missed assignments. If the assignments are not completed within the time allowed, the student will receive a failing grade.

Late arrival and early dismissal – (School Board Policy 5200 – Attendance and 5230 – Late Arrival and Early Dismissal)

Project STRIVE students are not permitted to leave campus at any time. Students shall be in attendance throughout the assigned period.

Field Trips – (School Board Policy 2340 – Field and other District)

Per MDCPS rules, students must receive permission to participate in field trips. Field trip forms must be signed by both the home school and Project STRIVE teachers. Forms will not be accepted if they are not complete.
