Dear Mr. Hill,

During the May 16, 2018 State Board of Education meeting, KIPP New Jersey's application for designation as a Hope Operator was considered and approved. I am writing to clarify that this designation includes nonprofit entities operating in Florida pursuant to a CMO Management Agreement with KIPP New Jersey.

Thank you again for your participation in Florida's educational choice programs. You may contact our office at 850-245-0502 with any questions.

Sincerely,
