

# M-DCPS- Mobile Device Distribution Sites

There will be no device distribution taking place on Friday, April 3, 2020.

The District will be transitioning from centralized distribution to direct distribution from school sites beginning **Monday, April 6, 2020.** School site administrators are identifying students in need and scheduling appointments with parents. Parents may also request a device by either emailing principal directly (instructions below) or by calling 305-995-3000.

## Parents/Guardians

If you need a digital device or internet access, contact your school by emailing the principal. Visit [School Directory](#), select school and click on Principal name to send an email. (See image below). In the subject section of email place "Student Name/ID" and write "Device Appointment Request."

Principals will schedule appointments for device pick-up at your child's home school between 11:00 am to 4:00 pm, Monday through Friday, to pick up requested device.
