| Percent of Students Enrolled in College at Any Time During the First Year After High School<br>(pp. 7-10)                                    | Percentage of high school students who enrolled in a two- or four-year postsecondary institution in the academic year immediately following graduation. The first year after high school includes any college enrollment where a student had active enrollment between August 15 of the graduation calendar year and August 14 of the following calendar year.*  |
| Percent of Students Enrolled in College at Any Time During the First Two Years After High School<br>(pp. 12-15)                              | Percentage of high school students who enrolled in a two- or four-year postsecondary institution in the academic year immediately following graduation. | Percent of High School Class with a College Degree Within Six Years<br>(pp. 22-25)   | The six-year degree completion rate at two- and four- year institutions. Shown only for classes where six academic years have passed since high school graduation. When a student has a degree with an award date that is more than 6 years after high school year, it will not be counted in this report; it will be reported in the student-level Detail Report. Only associate's, bachelor's, and advanced degrees are counted in these rates. Certificates are not included in these counts but will be included in the student-level Detail Report.   |
| Time to College Graduation Within Six Years (p. 27)  | This graph shows the time to first degree broken down by the number of academic years since the students graduated from high school.   |
| Class of XXXX Postsecondary Enrollment and Progress<br>(each class year is on its own page)  | <p>Progress of a single class of students (cohort) through postsecondary education up to eight years after high school graduation. Each segment of the bar chart corresponds to one of the following definitions:</p> <p><b>GRADUATED:</b> Student has completed an associate's, bachelor's or higher degree (certificates are not included). Reports generated in between effective dates will be processed against the most recent effective date; no new data will be reported. |
